

For legal entities

An approximate sample of a proposal to terminate a contract that is not related to a violation of the performance of the contract

On the organization's letterhead (if available)

To the General Director of Kontur JSC

Gogunskaya O.S.

Between ____ (*specify the following details for a legal entity: the organizational and legal form and name of the applicant, the main state registration number, date of state registration, taxpayer identification number*) and "Kontur" JSC, an agreement was concluded for the provision of services by the operator for conducting operations in the registry of carbon units from ____ (account in the registry № _____).

We hereby inform you of the desire to terminate the above contract in connection with _____ (*specify the reasons for termination*).

We confirm that ____ (*name of the legal entity*) has no claims against "Kontur" JSC in connection with the provision of services under the contract.

We confirm that we have been notified of the fact that after the termination of the contract and the closure of the account, the carbon units will be canceled and we undertake to dispose of them before the termination of the contract.

Signature _____ (Decryption of the signature) _____ Date
